Brinsmeads now live all over the world. Many are in the USA, Australia and Canada as well as the UK. However, most of them seem to have their roots in the West of England. In particular, for three centuries, the Brinsmeads centered mostly (although not entirely) on three villages in North Devon - St. Giles in the Wood - Alverdiscott and - Weare Giffard. Our first records are of a Thomas Brinsmead, buried in May, 1626 and Agnys buried on June 27th, 1627 in St. Giles in the Wood, followed by Robert Brinsmead who married Christian (last name unknown) in St. Giles in the Wood in 1639.
